

5)

- The image shows a web browser window with the Google homepage. The Chrome DevTools Network tab is open, showing a list of network requests. The requests are filtered by 'All' and 'Has blocked cookies' is checked. The table lists requests with columns for Name, Status, Type, Initiator, Size, Time, and Waterfall. The first request is '7size=24&scale_factor=...' with status 200, type png, and size 994 B. The last request is 'p1_c9bc74a1.png' with status 200, type png, and size 48.8 kB. The bottom of the DevTools panel shows 'Highlights from the Chrome 89 update' with two items: 'Debugging support for Trusted Type violations' and 'Capture node screenshot beyond viewport'.
